

# Road Trips TO THE REAL WORLD *goes virtual*

network internship opportunity career

EACE INVITES YOU TO GO ON A VIRTUAL

## Road Trip to the Real World!

*"This virtual program was an amazing experience. Being able to speak with employees of such an amazing company to learn directly and ask questions is priceless. There are also great opportunities coming out of attending the program."*

*"An amazing experience, I finally got to see a possible career path and get a feel for the environment and hopefully future co-workers."*
